

Yelp mobile waitlist

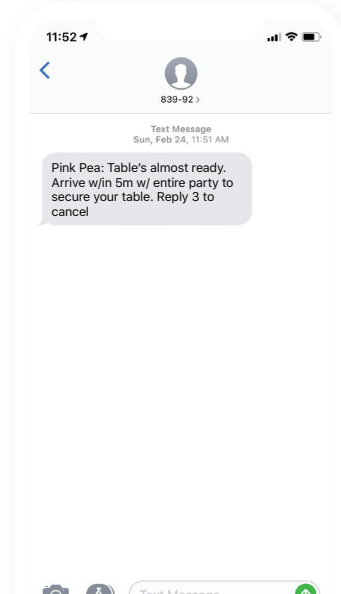

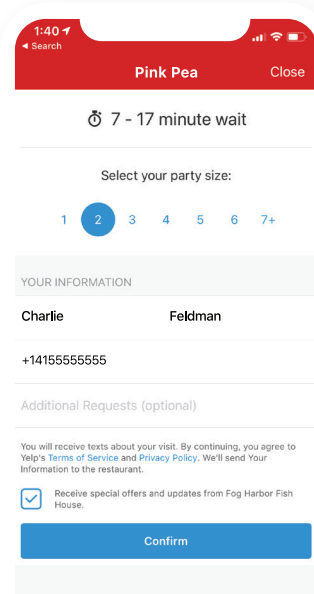

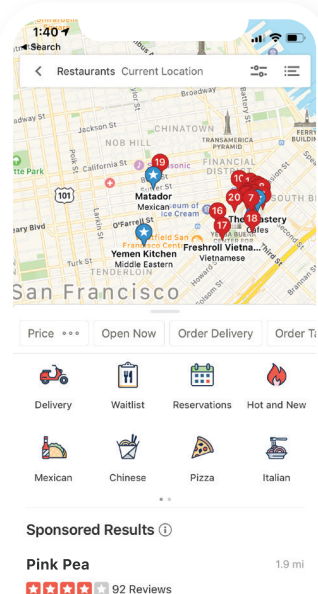

Allow diners to join your waitlist through the Yelp app

HOW IT WORKS

Search on Yelp for restaurants nearby.

Join the waitlist by adding party details.

Get notified when your table is almost ready.

WHY IT WORKS

Extend peak hours

Diners are willing to wait longer when they can see real-time wait times.

Retain diners

81% are more likely to return to a restaurant that uses Yelp Waitlist.

Provide better hospitality

Delight guests before they even arrive.

“Most of our diners find us on Yelp so having the option to join the waitlist directly from the Yelp app is great for my business.”
